## **Domaille Engineering Receives U.S. Chamber of Commerce Dream Big Award**

Rochester, MN, February 24, 2014 – The U.S. Chamber of Commerce has announced that Domaille Engineering LLC was awarded the Blue Ribbon Small Business award. This award recognizes companies for demonstrating exceptional business practices in areas including strategic planning, employee development, community involvement and superior customer service.

“Small businesses have continued to be the driving force moving the country forward economically” US Chamber President and CEO Thomas J. Donahue said. “Our Blue Ribbon Award winners are the best of the best – companies that are growing and succeeding despite challenges.”

“To be recognized as one of the US Chamber of Commerce’s Top 100 small businesses is a huge honor, especially considering that there are more than 27 million small businesses in the United States” said President Tim Kanne. “This award is a credit to our employees who continually develop new and innovative engineering solutions that help our customers succeed.”
