Contracted Companion Program

Agency Description

Individuals impacted by the limiting effects of aging have an optimal quality of life.

Since 1988, Elder Network has provided emotional, physical, social and spiritual support to Olmsted's growing population of seniors who live on fixed incomes, have limited support and endure the physical limitations that often come with advanced age. Our programs address the simple things that many of us take for granted—a safe, clean home, mental wellness and caring for a spouse can be the hardest to achieve for frail seniors.
