Dear Friends of the Rochester Track Club,

Because of your support, the Ronald McDonald House of Rochester, MN can continue to be a home-away-from-home for hundreds of families each year.

Last year alone, 838 families found comfort and support within the walls of the Ronald McDonald House. Thanks to generous donors like you, we keep families close to their critically ill children during some of the longest days of their lives.

Please accept our sincere gratitude for your gift.

Warmest Regards,

*Samantha Rother*
