2019 Margarita Madness Details and Information

- Your recipe does not have to be an item currently on your menu, we encourage you to be creative and think outside the box!
- All margaritas must be served on ice-NO BLENDERS are allowed
- You may serve up to four recipes-guests of the event will vote on their favorite for the People's Choice award and our guest judges will be voting on the most unique and the best use of our featured ingredient.

Please note, you must contact Kristina Wright-Peterson at 507-261-6708 or kristina@medcityfoundation.org ASAP with any recipe changes as programs and information for the evening is printed weeks in advance. If you make a change after April 30th, you will be asked to cover the costs associated with reprinting

You are able to bring staff to serve your beverages, guests love interacting with you and hearing about the recipes. However, it is not required as we know getting away from your restaurant or bar on a Thursday evening can be challenging. For that reason, we will have volunteers that can serve the drinks for you; we will need advanced notice to make this happen. Please indicate on your application if you will be serving or if you need our volunteers to serve on your behalf.

Additional details about the event:

- You will be provided with cups, ice, and 2 full size bottles of tequila; any additional ingredients or additional tequila is your responsibility. We expect 150-200 guests so please plan accordingly. Guests can sample from your table more than once.
- Only two representatives per restaurant/bar are allowed and you will be given special vendor passes for these individuals.
- Each restaurant/bar may purchase upto 10 individual tickets at the discounted rate of \$10 (regularly \$15) if purchased prior to April 30th 2019
- There is no fee to participate in this event
