STRENGTHENING OUR COMMUNITY IS OUR CAUSE

Every day, we work side by side with our neighbors to make sure that everyone, regardless of age, income, or background, has the opportunity to learn, grow and thrive. We recognize that for communities to succeed, everyone must be given the opportunity to be healthy, confident, connected and secure.

At the Y, we believe lasting personal and social change can only come about when we all work together to invest in our kids, our health and our neighbors. Y financial assistance is made possible through generous donations from individuals and foundations opening a world of programs and activities for you and your family including: membership, family activities, youth programs, parent/child programs, child care, camps and more.

Frequently Asked Questions

How can I apply for financial assistance?

Complete our one page application form and include all required documentation. Once your application has been reviewed and approved, you will receive a phone call from one of our staff.

How is the financial assistance amount determined?

We offer a sliding fee scale based on the annual gross household income and the number of dependents whether applying for a single or family membership.

Is assistance available for all programs?

We do offer assistance for swimming lessons and summer camps. Youth sports have been added to our list of membership perks; therefore, these would all be free for all of our Y members. Our youth sports include basketball, soccer, t-ball, flag football and more.

How long will the financial assistance continue?

We approve all scholarship memberships for a six month term. Memberships will expire after six months and the member will need to reapply by submitting a new application with all the necessary documentation.

Can I make payments throughout my six month term?

We have recently started allowing members to put either a credit/debit card or a bank account on file and the membership dues are drafted out of the account once a month. Payment plans need to be approved and processed by the Membership Experience Director.

Is it possible to join the Y for free?

The Y believes a strong sense of ownership and pride is developed if the assistance recipient has contributed to the cost of their Y membership. Therefore, applicants will be asked to pay a portion of the fee.
