Zumbro Valley Health Center Provider Awarded

Rochester, Minn. – Zumbro Valley Health Center today announced that Marie Davidiak, LICSW, was chosen to receive NAMI Southeast Minnesota’s Provider of the Year award. She will receive the award at the *Making a Difference Celebration* on Monday, December 3, at Hope Summit Christian Church.

“Marie is an extraordinary therapist who is superb working with children and adults alike,” said Chief Executive Officer Beth Krehbiel, RN, FACHE. “She is well-respected throughout the community for the quality of care she provides every day.”

Davidiak has more than 30 years of experience in community mental health and social work, including the past 20 years at Zumbro Valley Health Center.

The Provider of the Year award recognizes a person who provides high quality services, exemplifies best practices, demonstrates leadership in the field of mental health and is a step above the norm in support and compassion. Davidiak was nominated by a client who wrote “Marie has helped me in therapy with Dialectical Behavior Therapy as well as individual therapy. She is kind, understanding and thoughtful. Marie helped me through my suicidal ideation attempts. I don’t think I would be here today if it wasn’t for her.”
