Zumbro Valley Mental Health Center Adds New Psychiatrist

Rochester, Minn. – Jacqueline Teresa Dahl, M.D., recently joined the staff of Zumbro Valley Mental Health Center. Dr. Dahl is a licensed psychiatrist with training in both psychiatry and geriatric psychiatry. She is currently taking appointments for psychiatric services.

“Dr. Dahl joining our staff is a significant addition to both our psychiatry department and the community as a whole,” said Pat Carlson, executive director. “She will allow Zumbro Valley Mental Health Center to help address the backlog of people in our community seeking psychiatric services who cannot get a timely appointment.”

Dr. Dahl has received several awards for quality of care, including the Roadrunner Award for the exceptional care of veterans and the Robert A. Senescu Award for demonstrating exceptional abilities and dedication to patient care.

She completed her fellowship at Mayo Clinic in geriatric psychiatry and her medical degree from the Penn State College of Medicine.
