

INTERNATIONAL SOCIETY OF AMYLOIDOSIS

March 4, 2020

Dear Friends and Colleagues,

I want to share with you the results of the election of the new Board of the International Society of Amyloidosis.

A total of 165 members voted and the following candidates were elected:

- Stefan Schönland, Vice President and President Elect
- Vaishali Sanchorawala, Secretary
- Shaji Kumar, Treasurer
- Ute Hegenbart, Member-at-Large
- Paolo Milani, Member-at-Large
- Ashutosh Wechalekar, Member-at-Large

The new members will join Yukio Ando (immediate past President and Representative of the Japanese Society of Amyloidosis), Per Westermark (Chairman of the Society's Nomenclature Committee and Editor-in-Chief of the Society's journal *Amyloid*), Giampaolo Merlini (Representative of the Italian Society of Amyloidosis), and myself in the new Board. Stefan Schönland will also be serving as the Representative of the German Society of Amyloidosis.

I am grateful to all the nominees who took part in the election and contributed to making it possible and more diverse. I heartily congratulate the new Board members and welcome the colleagues who are joining the Board for the first time.

Finally, I want to thank Yukio Ando and all the 2018-2020 Board members for their generous commitment to the Society. It has been a great honor and a pleasure serving in the Board as Vice President and working together with all of them.

The new Board starts its term today. I am committed to promote the activity of different ISA working groups to increase the involvement in our Society of all the parts of the amyloidosis community, including those who could not yet be represented in the Board.

I am looking forward to working with all of you in the new ISA Board.

Yours sincerely,

Giovanni Palladini
ISA President
