

## Training Request Information

Thank you for inquiring into our training with your organization.

### About the Trainer/s

Networked with several organizations locally and throughout the country, we are leading the way in restorative care and programming. Our team is available to meet a variety of your training needs. From general awareness to professional development check out our various topics below and request a speaker today.

### Training Topics

#### *The Brain and Trauma*

This workshop covers the basic brain functioning and the results of trauma on the developing brain. With the advancement of technology we are better able to understand the workings of the brain as well as the effects of trauma on the brain.

#### *How to Counsel/Converse with Victims of Trauma*

This workshop looks at some of the more common theories of psychotherapy and addresses how these can be used to better communicate with those who have experienced trauma.

Also, this workshop will cover some basics of Motivational Interviewing. (This workshop is not a 'how to' training on MI)

#### *The Adolescent Brain and Development*

Through research we know that human brain is not fully developed until around the age of 24-26. This workshop will focus on specifics of the adolescent brain with the intention of providing insights on how to better work with and understand adolescent behaviors.

#### *Human Trafficking Awareness Class (HTAC)- 101\**

This workshop provides an overview of Human Trafficking and with a focused emphasis on Sex trafficking. The workshop gives definitions, statistics, tips on how to identify trafficking, laws and regulations regarding HT and other pertinent information related to human trafficking.

This class is offered to the public, FREE of charge, quarterly. See website for more details.

#### *Human Trafficking Awareness Class- 101: For Law Enforcement*

This workshop is similar to the workshop HTAC-101 but has a specific focus of tips and highlights for Law Enforcement.

### ***Human Trafficking Awareness Class- 101: For Medical Personnel***

This workshop is similar to the workshop HTAC-101 but has a specific focus of tips and highlights for Medical Personnel.

### ***Human Trafficking Awareness Class- 101: For Social Service Workers***

This workshop is similar to the workshop HTAC-101 but has a specific focus of tips and highlights for Social Service Workers.

### **Days & Dates**

Most topics are two hours in length, but can be packaged together for a more extensive training.

### **Costs**

Training is \$300 for a two-hour class, with a discount for packaging. (\$500 for two classes, \$700 for three classes)

\*Complementary Human Trafficking awareness sessions are available for one hour luncheons or meetings. (Some restrictions apply)

### **Participants**

It is the sponsoring agency's decision as to who to include in the training –staff only and/or volunteers from their agency OR to give an open invitation to other organizations OR to the public. Some have had half day of training for all interested; one day for all volunteers; one day for therapeutic staff; or two days for all staff.

Who you invite affects the training presentation, so please let us know who is invited to which sessions.

### **Training Needs**

We will need a computer, LCD projector, screen, and audio hook-up. We can bring these if they are not available at your facility.

IF you want to give handouts or materials to participants, please let us know two weeks beforehand so we can send the appropriate information via email for you to copy and distribute.
