Sample Summer Camp Descriptions

Each camp will be filled with fun and hands-on activities. Camps are designed to be fun and educational.

1. Artists of the World

Many art forms exist throughout the world. We will be exploring many different famous artists from all over the globe. We will use our newly discovered knowledge of art to create a variety of art projects.

2. Stars & Stripes

Happy Birthday USA! We will have a fun-filled week celebrating the USA. There are many ways to celebrate and we will have fun learning about them all!

3. Under the Sea

Dive in and discover the ocean. Our mini-marine biologists will uncover the mysteries of the big blue ocean. Fun Facts: 97% of all water on earth is in the oceans. The largest animal on Earth is the blue whale.

4. Fun with Science

Get out your lab coat. We will explore many different scientific concepts through hands on science experiments. What a wonderful way to use the Scientific Method!

5. Music of the World

Put on you listening ears. We will explore the different styles of music from around the globe and the instruments used to create the music. With this knowledge the children will create and construct an instrument...and the composing will begin.

6. Camping and Bugs

Come camp out with us. We will explore camping with our own indoor tent, sing campfire songs, and have toasted marshmallow s'mores! We will also explore the outdoors and check out all the creatures in our own backyard.

7. Games around the World

Come play a variety of games with us as we explore how games are played in different places around the globe.

8. Arts & Literature

Come explore the wonder of your favorite authors and illustrators. Learn their styles and create your own illustrations and literature.
