RAVE REVIEWS

Brian came during our I love to Read month activities. He did a great job on exciting the kids about magic and also reinforcing how important reading is. There was audience participation and good crowd control. The kids really enjoyed the show.

The Brian Richards ACME Magic Factory show attracted, engaged and impressed both young and old as part of our Derby Days community festival. Not only did Brian do a superb job of executing his performance, but he was also easy to communicate with during the booking and promotional process.
