Inspect and lubricate blower Clean or replace air filter			
Check coolant level and pressure	Confirm proper air flow		
	Perform visual inspection of entire air conditioner system		

SECTION D. REBATE APPLICATION CHECKLIST

This program offers a \$25 rebate for the completion of a professional clean and tune-up of your central air conditioner. Use this checklist to complete the steps to receive your rebate:

- **1.** Read the following terms and conditions to determine if you are eligible for a rebate:
 - Only one service address per application per year. This program is only for existing homes and small commercial customers with central air conditioners or air source heat pumps less than or equal to 5.5 tons (66,000 btu's). New construction is not eligible. Customers are eligible for a tune-up rebate every two years. Customers who have a service agreement with an HVAC dealer are eligible provided that the service contract is provided with the rebate application.
 - The Utility reserves the right to apply rebates to past due accounts. Rebates \$75 and under will be applied to your account. Rebates will not exceed the cost of service.
 - · Central Air Conditioner Clean & Tune-Up must be performed on equipment connected to an electric service supplied by Austin Utilities, Owatonna Public Utilities, or Rochester Public Utilities and is subject to inspection.
 - The Central Air Conditioner Clean & Tune-Up service must be performed by a professional HVAC service technician. Austin Utilities, Owatonna Public Utilities, and Rochester Public Utilities assume no liability for any incidental or consequential damages resulting from the Central Air Conditioner Clean & Tune-Up service provided by the service technician. The Utility reserves the right to reject any rebate application submitted as a result of work performed by a contractor who has failed to adhere to the terms and conditions established for the rebate program.
 - The Central Air Conditioner Clean & Tune-Up service must meet the Minimum Service Requirements as specified in this rebate application Section C. EQUIPMENT & SERVICE INFORMATION.
 - Due to limited funding, this rebate offer can be withdrawn at any time without notice. Applications will be processed on a first-come, first-serve basis. All applications from this year's purchases (2019) must be received by March 31, 2020.
 - Rebates can only be offered on Central Air Conditioner Clean & Tune-Up services that are completed while funding is in effect. In the event our program is discontinued due to depleted funds, we will not provide a rebate for Clean & Tune-Up services completed between the discontinued date and the end of that year.
- **2.** Customer must complete Section A. Contractor must complete Sections B and C making sure to fill out all required sections in detail. Allow 6-8 weeks for processing. Missing or incorrect information will increase the processing time.
- **3.** Include a final, detailed copy of the original service receipt or invoice showing the customer name as well as the date, description, and cost of service.
- **4.** Sign the application.
- **5.** Mail completed forms and required documentation to your utility provider:
