FOR BOARD ACTION

Agenda Item # (ID # 14089)

Meeting Date: 11/3/2021

SUBJECT: Update to the 2030 Resource Plan

PREPARED BY: Mark Kotschevar

ITEM DESCRIPTION:

Representatives from 1898 & Co., a division of Burns & McDonnell Engineering Company, will present an update to RPU's 2030 Resource Plan. The presentation will cover updates to the plan presented in 2019, which evaluated alternatives for the supply of capacity and energy after our existing power supply contract with Southern Minnesota Municipal Power Agency expires in the spring of 2030.

UTILITY BOARD ACTION REQUESTED:

Informational only, no action is requested.
