SECTION B. REBATE APPLICATION CHECKLIST

Use this checklist to complete the steps to receive your rebates:

1. Read the following terms and conditions to determine if you are eligible for a rebate:
 - Only one service address per application.
 - Rebates are intended for customers, not contractors or builders.
 - The Utility reserves the right to apply rebates to past due accounts. Rebates \$75 and under will be applied to your account. Rebates will not exceed the purchase price.
 - Battery-powered lawn equipment must be charged where the electric service is supplied by Austin Utilities, Owatonna Public Utilities, or Rochester Public Utilities and is subject to inspection.
 - Purchase **NEW** products that meet the eligibility requirements stated in this application. Reconditioned, refurbished, or second-hand equipment is not eligible for a rebate. Products replaced under warranty or provided through a repair/replacement service agreement are not eligible for a rebate.
 - Equipment must meet our Minimum Efficiency/Eligibility Requirements to qualify for a rebate.
 - Due to limited funding, this rebate offer can be withdrawn at any time without notice. Applications will be processed on a first-come, first-served basis. All applications from this year's purchases (2025) must be received by March 31, 2026.
 - Rebates can only be offered on equipment that is purchased while funding is in effect. In the event our program is discontinued due to depleted funds, we will not provide a rebate for items purchased between the discontinued date and the end of that year.
2. Complete the application, making sure to fill out all required sections in detail. Allow 6-8 weeks for processing. Missing or incorrect information will increase the processing time.
3. Customer must submit original receipts/invoices showing the make, model, quantity, and price of all equipment purchased, and the date purchased.
4. Sign the application.
5. Information contained in this rebate application may be shared with the Minnesota Department of Commerce and our co-op partners.
6. Submit completed forms and required documentation to your utility provider:
