Contractor's/Retailer's Name

Contact Person

Phone Number (with area code)

Installer's Name (write SELF if customer installed)

Type of Appliance/Equipment Installed

SECTION C. REBATE APPLICATION CHECKLIST

Use this checklist to make sure you have completed the necessary steps to receive your rebates:

- ☐ 1. Read the following terms and conditions to determine if you are eligible for a rebate:
- Only one installation address per application.
 - Rebates are intended for customers, not contractors or builders.
 - Rebates \$500 or less will be issued as a bill credit to your account. Rebates will not exceed the purchase price. Rochester Public Utilities (RPU) reserves the right to apply rebates to past due accounts.
 - To qualify for a water rebate, efficient equipment must be connected to an active water service supplied by RPU and is subject to inspection.
 - To qualify for an electric rebate, efficient equipment must be connected to an active electric service supplied by RPU and is subject to inspection.
 - Purchase and install NEW products with the WaterSense®, ENERGY STAR®, or ENERGY STAR® Most Efficient labels or that meet our minimum efficiency requirements. Reconditioned, refurbished, or second-hand equipment is not eligible for a rebate. Products replaced under warranty or provided through a repair/replacement service agreement are not eligible for a rebate.
 - RPU reserves the right to reject any rebate application submitted as a result of work performed by a contractor who has failed to adhere to the terms and conditions established for the rebate program.
 - Due to limited funding, this rebate offer can be withdrawn at any time without notice. Applications will be processed on a first-come, first-served basis. All applications from this year's purchases (2026) must be received by March 31, 2027.
 - Rebates can only be offered on equipment that is installed while funding is in effect. In the event our program is discontinued due to depleted funds, we will not provide a rebate for items installed between the discontinued date and the end of that year.
- ☐ 2. Complete the application, making sure to fill out all required sections in detail. Allow 6-8 weeks for processing. Missing or incorrect information will increase the processing time.
- ☐ 3. Include a final, detailed copy of the original sales receipt, invoice, or picking slip showing the customer name, date of sale, manufacturer name, model number, and date of installation.
- ☐ 4. Sign and date the application.
- ☐ 5. Information contained in this rebate application may be shared with the Minnesota Department of Commerce and our co-op partners.
- ☐ 6. Submit completed forms and required documentation to RPU.
