SECTION E. TERMS AND CONDITIONS

- 1. ELIGIBILITY:** Rebates are available to non-residential electric customers of Austin Utilities, Owatonna Public Utilities, and Rochester Public Utilities (herein referred to as The Utility). All products must be in use in facilities in The Utility service territory. Only one tune-up rebate per cooling unit every three years. New construction/new cooling units are ineligible for rebate.
- 2. APPLICATION:** Program is offered January 1 through December 31 of the respective calendar year. **Due to limited funding, this rebate offer can be changed or withdrawn at any time without notice and is available on a first-come, first-served basis.** The entire rebate application must be read and filled out completely or application will be returned.
- 3. INSPECTION AND VERIFICATION:** The Utility and/or its designees reserve the right to review projects to verify completion and to ensure compliance with all program requirements. Misrepresentation of service location, measure eligibility, or implementation of services may result in forfeiture of the rebate and exclusion from the program.
- 4. INVOICE AND PAYMENT:** When the tune-up is completed, the Customer must submit this completed application along with a copy of the invoice to The Utility. Invoice must include customer name, address, and date of service. After satisfactory review of the application and invoices, a rebate check or bill credit will be issued to the Customer. Please allow 60 days from the date of receipt by Utility for delivery of payment.
- 5. EQUIPMENT AND REBATE ELIGIBILITY REQUIREMENTS:** Rebate amount cannot exceed tune-up cost.
 - All information in this application for the requested rebate as well as customer and technician signature must be completed. Only complete applications will be processed.
 - Tune-up must be performed on a business air conditioner between April 1 and Sept 30 of the respective calendar year.
 - Tune-up must include all services listed below the selected rebate option.
 - Tune-up must be performed by a licensed and insured heating/cooling contractor.
 - The cooling equipment must be in working condition (this rebate program is for tune-ups only; not for repairs).
 - Program does not apply to window/room air conditioning units or mini-split units.
- 6. TAX INFORMATION:** The Utility will not be responsible for any tax liability imposed as a result of the rebate payment(s). Customers are advised to consult their tax advisors for details.
- 7. DISCLAIMER:** The Utility does not guarantee that the implementation of energy-efficient measures or use of the equipment purchased or installed pursuant to this program will result in energy or cost savings. The Utility makes no warranties, expressed or implied, with respect to any equipment purchased or installed including, but not limited to, any warrant of merchantability or fitness for purpose. In no event shall The Utility be liable for any incidental or consequential damages. Customers are solely responsible for the proper disposal of existing equipment. Consult the Minnesota Pollution Control Agency (MPCA) office for details at 800.657.3864.
- 8. ENDORSEMENT:** The Utility does not endorse any particular vendor, manufacturer, product, or system in promoting this rebate program. Listing a vendor or product does not constitute an endorsement, nor does it imply that unlisted vendors or products are deficient or defective in any way.
- 9. PRIVACY:** Information contained in this rebate application may be shared with the Minnesota Department of Commerce and our co-op partners and also may be used in our advertising efforts with your permission as granted in Section B of this rebate application.
