Electric/Heat Pump Heating and Electric Cooling	\$65
Natural Gas Heating and Electric Cooling	\$25

PTAC = Packaged Terminal Air Conditioner  
 PTHP = Packaged Terminal Heat Pump  
 EMS = Energy Management System

**Note:** Only occupancy sensor controlled guest room energy management systems qualify for a rebate. See terms and conditions for other requirements.

## SECTION E. TERMS AND CONDITIONS

**1. ELIGIBILITY**

Rebates are available to non-residential electric customers of Austin Utilities, Owatonna Public Utilities, and Rochester Public Utilities (herein referred to as The Utility). All products must be in use in facilities in The Utility service territory.

**2. APPLICATION**

Program is offered January 1 through December 31 of the respective calendar year. **Due to limited funding, this rebate offer can be changed or withdrawn at any time without notice and is available on a first-come, first-served basis.** The entire rebate application must be read and filled out completely or application will be returned.

**3. INSPECTION AND VERIFICATION**

The Utility reserves the right to inspect the customer's facility through on-site visits before and after new equipment installation to verify rebate eligibility. The Utility reminds you to follow all local permitting and building code ordinances.

**4. INSTALLATION AND REBATE AMOUNTS**

Qualifying energy-efficient equipment installed and operational within six (6) months of the date of purchase are eligible for rebate. Additional time may be granted subject to the Utility's pre-approval. In no case will the rebate paid by The Utility exceed the purchase price of the equipment. The maximum rebate amount is \$100,000 per customer location per technology per year.

**5. INVOICE AND PAYMENT**

Following inspection and verification (see #3) and completed installation, the customer must notify The Utility and submit original invoices specifying the model number, quantity and price of all materials purchased, the date ordered, installation costs, and applicable taxes. Additionally, if the new equipment is not listed on the Qualifying Equipment Tables but meets the efficiency requirements for that equipment, sufficient data must be provided to prove that it qualifies. After satisfactory review of the application and invoices, a rebate check or bill credit will be issued to the customer. Vendors or contractors are not eligible to receive their customer's rebate. Please allow 6-10 weeks from the date of application submission for delivery of rebate check or bill credit. The Utility reserves the right to apply the rebate to past due accounts.

**6. EQUIPMENT ELIGIBILITY REQUIREMENTS**

Eligible equipment must be new. Replacement or upgrades of existing guest room control systems are not eligible for this prescriptive rebate. Only occupancy sensor controlled guest room energy management systems qualify for a rebate. At a minimum, the system must be used to automatically control the operation of the guest room heating/cooling equipment when the room is vacant (automatic control of the lighting is optional).

**7. TAX INFORMATION**

The Utility will not be responsible for any tax liability imposed as a result of the rebate payment(s). Customers are advised to consult their tax advisors for details.

**8. DISCLAIMER**

The Utility does not guarantee that the implementation of energy-efficient measures or use of the equipment purchased or installed pursuant to this program will result in energy or cost savings. The Utility makes no warranties, expressed or implied, with respect to any equipment purchased or installed including, but not limited to, any warrant of merchantability or fitness for purpose. In no event shall The Utility be liable for any incidental or consequential damages. Customers are solely responsible for the proper disposal of existing equipment. Consult the Minnesota Pollution Control Agency (MPCA) office for details at 800.657.3864.

**9. ENDORSEMENT**

The Utility does not endorse any particular vendor, manufacturer, product, or system in promoting this rebate program. Listing a vendor or product does not constitute an endorsement, nor does it imply that unlisted vendors or products are deficient or defective in any way.

**10. PRIVACY**

Information contained in this rebate application may be shared with the Minnesota Department of Commerce and our co-op partners and also may be used in our advertising efforts with your permission as granted in Section B of this rebate application.
