

Children learn how to properly plant a tree at RPU's Annual Arbor Day Celebration.

RPU encourages our customers to plant trees through our Partners in Planting program. We've partnered with American Public Power Association's (APPA) TREE POWER program - a nationwide effort by public power utilities to plant trees. And now we want to partner with YOU to plant trees all over Rochester! Visit our website for more information on Partners in Planting and to download coupons toward the purchase and care of a new tree.

Partners in Planting

Since 2003, Rochester Public Utilities (RPU) has invited the community in an annual Arbor Day celebration. As part of the festivities, a poster contest for Rochester elementary students is held. This calendar features entries from 2019. RPU would like to thank all of the students who have participated in our poster contest over the years. These talented young artists help remind us of the importance of trees in our community.

Arbor Day is celebrated by millions of people across our country every year. It is a day that reminds us of the many benefits trees provide our community. Trees are an asset that has investment value; they conserve energy through shade and wind block, filter air pollution, reduce storm runoff, and increase property value.

CONSERVE & \$SAVE® REBATES

WHAT IS CONSERVE & SAVE®?

Rochester Public Utilities (RPU) offers dozens of rebates to customers who purchase energy and water efficient appliances and equipment.

With CONSERVE & SAVE®, our rebates will save you money on your purchase, and the new appliances and equipment will continue to save you energy, water, and money on your utility bills.

Saving energy and water also helps our environment by using less of our valuable natural resources.

Visit our website at www.rpu.org for current rebate offerings, amounts, and to download rebate applications with terms and conditions and minimum efficiency requirements.

HOW DOES CONSERVE & SAVE® WORK?

- 1) Purchase appliances and equipment with the Energy Star® label, WaterSense® label, or that meet our Minimum Efficiency Requirements (see applications for complete Terms and Conditions).
- 2) Get a rebate application from your retailer, contractor, RPU, or download one from www.rpu.org.
- 3) Fill out the application completely, attach your sales receipt and any other required documentation, and send it to RPU.
