WE PLEDGE, WE DELIVER™

WELCOME TO **ROCHESTER PUBLIC UTILITIES**

We would like to officially welcome you as a new customer of Rochester Public Utilities (RPU). We value your support and contribution to our community and we trust that your experience with RPU will bring you peace of mind when it comes to safe and reliable electric and water services.

We are a local power provider driven by the priorities of our community for over 125 years. We are committed to embracing new technologies that are affordable, reliable, and as clean as possible. We serve our customers by providing the highest quality programs and services. Our experience and resources are used to enrich people's lives, help businesses prosper and promote our community's well-being.

Moving into a new home is an exciting time and maybe even a little stressful. This guide describes many of our programs, services, and resources available to you. Included, you will find helpful information for managing your account, understanding you utility bill, accessing various programs, and more. If you ever have questions about our services or programs, our Customer Care team is ready to help at 507-280-1500 or customercare@rpu.org.

We look forward to serving you!

Sincerely,

RPU Customer Care

THINGS YOU NEED TO KNOW ABOUT YOUR SERVICES

Discontinuing or Transferring Service

If moving out, do not forget to call us to discontinue your services. Transferring services to a new location is as simple as calling Customer Care at 507-280-1500. Please provide us at least one business day advanced notice.

Winter Vacationers / Snowbirds

If you are planning to be gone during the winter or for a long period of time, there are a couple of things to remember:

- Did you let us know a forwarding address?
- Did you provide us with a local contact in case of an emergency?

Life Support

One of RPU's core values is to protect every individual, which includes our customers who rely on medically necessary equipment. If this includes you, please contact Customer Care to receive the proper documentation.

Solar or Battery Storage Interconnection

If your new home (or business) has solar panels on the roof, or battery storage, State law requires an interconnection agreement between you and RPU. It is an easy process. Just let us know and we will handle the rest.

Rates

Summer electric rates begin June 1 and end September 30. Winter electric rates begin October 1 and end May 31. Water rates are the same year round. Our rates are reviewed annually.

Some of our residential customers can benefit by managing their energy usage with our Time-of-Use rate. All of our rates can be found in our rate schedule at www.rpu.org.

Language Line

Our Customer Care team has access to a language line to assist customers whose first language is not English. For assistance, call Customer Care at 507-280-1500.

EMERGENCY AND SAFETY SERVICES

Report an Electrical or Water Outage or Emergency

ELECTRIC: 24 Hours | 507-280-9191

PLEASE STAY AWAY FROM DOWNED (OR LOW HANGING) POWER LINES AND CONTACT US IMMEDIATELY!

WATER: 8am-5pm | 507-280-1500
5pm-8am | 507-280-9191

You may also report an Electric or Water outage using the RPU Connect app.

Before You Dig, Contact Gopher State One Call

**SUBMIT YOUR LOCATE REQUEST
AT LEAST 48 HOURS BEFORE EXCAVATING:**

ONLINE: www.gopherstateonecall.org

PHONE: 811

Protect yourselves and your property against underground utility damage. Anyone working in Minnesota must locate underground utilities before excavating. This is a FREE service provided by Gopher State One Call.

Report a Street Light Outage

ONLINE: www.rpu.org/outages-safety

EMAIL: customercare@rpu.org

You may also report Street Light Outages using the RPU Connect app.

Tree Trimming

If your trees have grown up into your overhead power lines, never trim them yourself. Call RPU and we will safely assess the branches and trim or remove vegetation as needed to ensure continued reliable electric service.

PHONE: 8am-5pm | 507-280-1500

BILLING AND PAYMENT OPTIONS

RPU Connect

RPU Connect is an online web portal or mobile app that allows you to:

- Manage your account
 - Choose paperless billing, auto pay, and one-time payment options that are fast, easy, and secure
 - Receive account alerts via email, text, or phone
 - Connect with our Customer Care team
- View usage trends to better understand your energy use

Budget Billing

Budget billing allows your monthly bill amount to be the same each month based on the average annual usage at your service address. Your service address must be established for 12 months. All budget billing accounts are re-evaluated annually.

Paperless Billing

Looking to reduce your carbon footprint? Instead of receiving your utility bill in the mail, you can choose to receive an email or text notification that your bill is available online.

Auto Pay

Your monthly payment is deducted from a checking account, savings account, or credit card. For greater convenience, use a combination of pay plans (for example, have your budget billing amount deducted automatically from your checking account).

Credit Card Payments

We accept Visa, MasterCard or Discover.

PAY BY PHONE: 1-855-631-3643 toll free, no fee, 24/7

PAY ONLINE: RPU Connect mobile app or the RPU Connect web portal at www.rpu.org

Other Payment Options

IN PERSON: RPU Service Center | 4000 E River Rd NE

DROP BOXES: RPU Service Center | 4000 E River Rd NE
Silver Lake Plant | 425 Silver Lake Dr NE

Payment kiosk, located in the vestibule of the RPU Service Center, is completely self-service; available 24/7, 365 days of the year.

Please note, you will need your RPU bill or RPU account number to utilize the payment kiosk.

PAYMENT ASSISTANCE

A Helping Hand, If Needed

From time to time, we all need help. If you find yourself in a situation where you cannot make your utility payment on time, call us, and we will help you! Our Customer Care Advisors are available to discuss your circumstance, make payment arrangements that help you, and provide outside resources that are available to assist you financially.

Cold Weather Rule

From October 1 to April 30, RPU acknowledges and complies with the State of Minnesota Cold Weather Rule for municipal utilities under Minnesota Statute Section 216B.097. To learn more or to fill out an application, visit www.rpu.org.

ELECTRIC REBATES AND PROGRAMS

CONSERVE & SAVE™ Rebates

RPU's electric rebates are available to both residential and commercial customers. Customers may qualify for cash rebates when purchasing new appliances and equipment that meet the Minimum Efficiency Requirements. Rebate applications are available at www.rpu.org.

Service Assured® Underground Electric Repair Coverage

For a monthly fee of \$1.99, Service Assured® Underground Electric Repair Coverage is an opt-in program that helps to cover the costs of damaged underground electric services. To see if your home qualifies, please contact Customer Care. For detailed program information and frequently asked questions, visit www.rpu.org.

Carbon Offset Program

RPU offers our customers the opportunity to buy renewable energy credits (RECs) to offset their carbon footprint. For program details, visit our website at www.rpu.org.

Neighborhood Energy Challenge - Energy Audits

RPU and Minnesota Energy Resources have teamed up with the Center for Energy and Environment to offer Rochester homeowners the Neighborhood Energy Challenge (NEC), a full-service residential energy audit program. FREE workshops are available along with a home visit that includes materials and help with next steps for a one-time \$75 fee (valued at \$400).

ELECTRIC REBATES AND PROGRAMS

Partners in Planting

RPU has partnered with local nurseries, Jim Whiting Nursery & Garden Center and Sargent’s Gardens to give you a \$10 discount on the purchase of qualifying deciduous shade trees and with local arborist, Maier Tree & Lawn, for \$20 off a tree service. Download these coupons at www.rpu.org.

Distributed Energy Resources

With the increasing popularity of renewable energy, RPU wants to make sure our customers are educated and have resources about installing Distributed Generation. The interconnection application requirements, frequently asked questions, community education class offerings, and more can be found at www.rpu.org.

Income Based Programs

Energy Sustainability for Our Elderly

A program designed to weatherize and update the equipment efficiencies in the homes of our qualified low-income elderly residents to improve their health, safety, independent living, and reduce energy burden.

4U2 Program

RPU and Minnesota Energy Resources are working together to help eligible low-income households improve their home’s energy efficiencies while reducing overall energy costs.

Neighbors Chipping In™

Neighbors Chipping™ In is a voluntary program allowing RPU customers to help fellow RPU residential customers by agreeing to have their monthly utility bill “rounded up” to the next whole dollar or by an amount of their choosing. For additional information or to donate, call Customer Care at 507-280-1500 or download an enrollment form at www.rpu.org.

ELECTRIC REBATES AND PROGRAMS

Partnering in Smart Energy Solutions

Bring Your Own Thermostat (BYOT)

RPU's Bring Your Own Thermostat (BYOT) program is a voluntary demand response program designed to reward customers for reducing their electricity use during periods of high demand, while helping the environment and reliability of the grid. For detailed information and frequently asked questions, visit www.rpu.org.

Electric Vehicle Owners Club

RPU is charged up about Electric Vehicles (EVs). We want to learn more from you to see how RPU can best help foster the growth of EVs. If you own an EV, you may be eligible to receive a \$25 bill credit for joining our Electric Vehicle Owners Club.

EVERYTHING WATER

Water Quality

We are dedicated to ensuring the safety of our community's drinking water. Through testing, monitoring, and reporting, we closely follow the quality of our drinking water and regularly report our findings to the state. Download our current Water Quality Report at www.rpu.org/education-environment/water-quality.

RPU's Cross-Connection & Backflow Prevention

Proper backflow prevention on cross connections can eliminate contaminants from entering our public water supply. We all have a responsibility to keep the public water supply safe. If you have an irrigation system at your home, annual testing is required. Learn more at www.rpu.org/education-environment/backflow-prevention-program.php.

CONSERVE & SAVE™ Water Rebates

RPU's water rebates are available to both residential and commercial customers. Customers may qualify for cash rebates when purchasing new appliances and equipment that meet Minimum Efficiency Requirements. Rebate applications are available at www.rpu.org.

Service Assured® Water Service Repair Coverage

Service Assured® Water Service Repair Coverage is an opt-out program available to all eligible residential water customers. Eligible water customers are automatically enrolled. RPU will be able to quickly address costly water service repairs with no hassle or worry for you. There is no deductible with this coverage. A fee of \$1.99 will appear as a separate line item on your monthly RPU bill and will be collected with your other utility charges. For detailed program information and frequently asked questions, visit www.rpu.org.

- 12 Budget Billing (BB) Plan** is your monthly Budget Billing (BB) amount.
- 13 Actual Charges Billed this Period** is the total of your actual charges during the current billing period.
- 14 Difference of BB Plan and Actual Charges** is the difference between your monthly Budget Billing (BB) amount and your actual charges during the current billing period.
- 15 Previous Carry Over Balance** is the balance from your previous billing period.
- 16 New Carry Over Balance** is the cumulative account balance at the end of each billing period. This balance takes into account your actual charges, your monthly Budget Billing (BB) Plan, your previous carry over balance, and assumes the recent Budget Billing (BB) amount billed is paid in full by the due date.
NOTE: This balance could be a debit or credit. 'CR' indicates a credit.
- 17 Electric Usage Charge** is the total metered kilowatt-hours (kWh) used. The rate per kWh is then multiplied by the kWh used for the current billing period.
NOTE: Two energy charges may appear during the transition between summer (Jun–Sep) and non-summer (Oct–May) rates or when any changes to our rates occur (Dec–Jan).
- 18 Electric Customer Charge** is a fixed charge for all residential customers regardless of electric usage. This charge covers the cost to maintain electric facilities and infrastructure. It also includes costs for meters, distribution poles, safety equipment, miscellaneous supplies, and account administration.
- 19 Clean Air Rider** covers the bond payments for the Emission Reduction Project (ERP). All residential, commercial, and industrial electric customers are impacted by the charge. The amount you pay on the Clean Air Rider is dependent on your electric usage. The rate of the Clean Air Rider will change each year depending on the debt service payment schedule. The payments are scheduled to be complete by 2030.
- 20 Power Cost Adjustment** is charged if the cost to supply the electricity needed for our customers exceeds projections. This adjustment is made in cases such as high fuel costs, higher market pricing for electricity, or the load is higher than projected. This adjustment is based on your electric usage and varies each billing period. *In rare cases, this could result in a credit.*

- 21 Water Usage Charge** is the total metered water (Units) used during the current billing period. Each Unit of water equals 100 cubic feet or 748 gallons (1 Unit = 748 gallons). The rate structure is tiered to encourage water conservation. *The Water Usage Charge for commercial customers is the total metered water (Units) used during the current billing period but is not tiered.*
- 22 Water Customer Charge** is a fixed charge for all residential customers regardless of water usage. This charge covers the cost to maintain water facilities and infrastructure. It also includes costs for meters, pipes, fittings, excavation tools and machinery, and account administration.
- 23 Fire Hydrant Facilities Charge** is for the installation, maintenance, and availability of water for the City and other emergency services (e.g., fire department). All residential, commercial, and industrial water customers are impacted by the charge. It is based on the rate class, not the meter size. This charge is not taxed.
- 24 State Mandated Water Fee** is required by the MN Department of Health and funds the required testing for drinking water.
- 25 Products & Services** is the area where charges for additional offerings will appear such as our Service Assured® Underground Utility Repair Coverage Program and our Carbon Offset Program.
- 26 Wastewater Usage Charge** is how your wastewater charge is determined. For residential customers, the base rate for April–December is determined by your average water usage (Units) during the months of January, February, and March. If your actual water usage in any month of April–December is less than your base rate, you will be charged your actual usage. If you use more than your base rate, you will not be charged more than your base rate.
Charge for commercial customers is based on actual water usage (Units).
- 27 Wastewater Customer Charge** is a fixed monthly charge per sanitary connection that covers the cost to maintain sewer facilities and infrastructure.

- 28 Stormwater Utility Fee** collects funds from every developed residential and commercial property in the City of Rochester to support the Public Works Stormwater Management program. Each parcel of land is assigned a parcel identification number (PIN#). The fee is based on the parcel size, land use, and the amount of impervious (hard surface) area.
- 29 Stormwater Customer Charge** is a monthly charge used exclusively to support the Public Works Stormwater Management program.
- 30 City Tax** is the sales and use tax that the City of Rochester imposes on all taxable items or services in the city, including utility services. The current city sales tax rate is 0.75%.
- 31 County Tax** is the sales and use tax that Olmsted County imposes on all taxable items or services in the county, including utility services. The City of Rochester falls within Olmsted County; therefore, this tax is required. This tax is used to fund maintenance on roads and bridges, construct public infrastructure, and for other transit and transportation projects within the county. The current county transit tax rate is 0.50%.
- 32 State Sales Tax** is the sales tax charged by the State of Minnesota on retail sales of taxable products and services, including utility services. The current state sales tax rate is 6.875%.

NOTE: Utility services are generally taxable; however, some exemptions may apply. Information can be found on the Minnesota Department of Revenue website to further explain possible sales tax exemptions. Customers who qualify for a sales tax exemption must provide RPU with a valid Certificate of Exemption (ST3 form).
